

GAIN IT RIGHT

Composer & Singer : Kay Sik Cheong Lee

Feel the sun
Feel the air
Feel the standing trees above our head

Feel the green
Feel the wind
Feel the whisper of the earth singing

Do do do it right
Strong heart beating right
I'll I'll I'll standby
All day all night

Chorus

Go go go green
Let's fight
Grow grow grow
Leaf upright
Live live live live
Healthy alright
Love trees
Make it right
Gain it right (x2)
